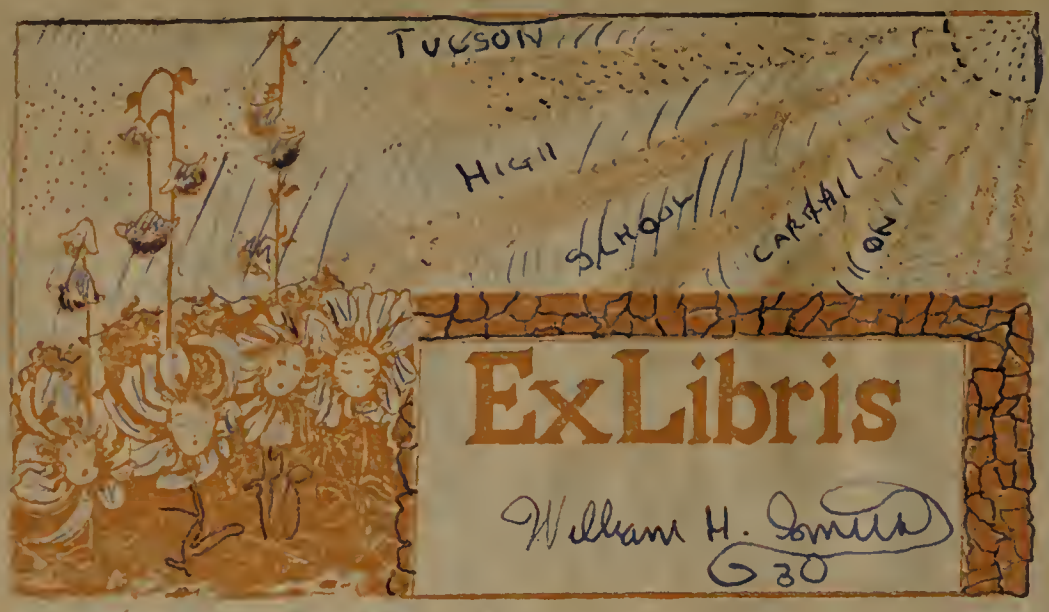
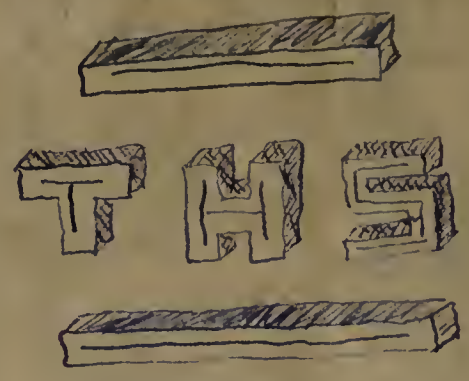
THE TUCSONIAN 1927





Dear Billy
I have enjoyed
known you for
This year but I hope
we will.
Holloway "30"

Dear Bill:
I think you're pretty mean some times especially when you play a trick on me but I like you a whole lot just the same.
Hoping you'll be in as many classes with me next year as you have been this year.
Elizabeth Richey

Dear old Bill.
Let's always do our best towards pushing T. H. S. on and I expect to see you a great success in life. In latter years please write me or sing sing College. Call no. 13.

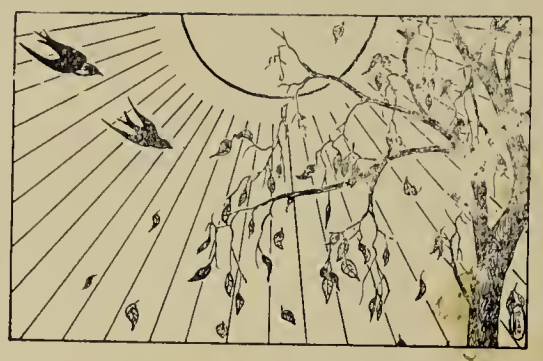
Well Billie it has been a great pleasure to know you. I know an ambition and will succeed in all your undertaking I here hoping your happiness.

Carlos Bresheda.

P.S. Remember your old Latin Class and among. Others.

It is the purpose and endeavor of the Staff to record in these few pages the most pleasant memories of the year 1926-27 in Tucson High School. If at some time in the future, we shall cause the reader to recall his Alma Mater, we shall not have labored in vain.

To Miss Ruth Bird, who is the Freshman's savior, the Sophomore's friend, the Junior's advisor, the Senior's only ally, and who has given of her time and talent toward the uplifting and the development of Tucson High School, the Senior Class of 1927 respectfully dedicates this Tucsonian.



In Memoriam

To those of our fellow students who have passed on beyond this realm, do we sincerely and respectfully dedicate this page.

May they rest in peace in that great beyond, where everyone must eventually take his place. Our memories of them will always be of the fondest.

During the years that have passed in the history of Tucson High School, Mr. Rose has always been a friend, ever ready to help us, glad in our victories, and sympathetic in our darker hours. In recognition of this, we, as members of the Class of 1927, thank him for the splendid work he has done, and for the interest he has taken in the progress of T. H. S.

To Mr. O. W. Patterson, the Seniors of the Class of '27 owe a debt of gratitude which can never be paid. He has been their guiding star for the four years they have been in T. H. S. He has never refused a request which would benefit them.

As the years pass by and the individuals of the class scatter to the four corners of the world, his will be an example they can always follow.

CLASSES

Seniors

When the graduates of '27 entered high school they were the most ignorant of Freshmen. Early in the year, however, their ability was shown both in athletic and scholastic competition. Their first victory—the winning of the Chronicle banner over the Sophomores—only served as an incentive for hard labor to make that class the very best.

Upon being elevated to the position of Sophomores, they had a greater inspiration—the new T. H. S. building. They realized the vast number of opportunities being given them and many took advantage of these occasions. A majority of the Sophomores were well-known and prominent in the various school activities.

The Junior year was very successful. Under the leadership of John Pegan, Shiela Baker, and Miss Bird, advisor, they accomplished many remarkable things. A most unusual and enjoyable Junior-Senior prom was given by this class.

Now these Freshmen have become Seniors! The influence of their Freshman resolution is evident in every activity. Many of the prominent positions in all curricular and extra curricular activities are held by these Seniors. In this last year the class holds one honor which distinguishes them as fighters—that of having the numerals '27 in three places on the Chronicle banner. Old T. H. S. will never be forgotten by these "'27" because these four years have been such delightful and enriching ones.

ADDITIONAL JUNIORS

Juniors

Wise men tell us that history repeats itself. So it does, for in the fall of the year of our Lord one thousand nine hundred and twenty-four there came to T. H. S. another Freshman class. Their eyes had in them a frightened expression, their hearts beat double time whenever an upperclassman approached. Yet they too were destined one day to resemble those strange things called upper classmen.

That first year this new class, emulating its predecessors, elected a group of students to take the helm and guide the good ship '28 through troubled waters. They were Donald Smith, James Norris, and Virginia Roberts.

The next year the embryo alumni were Sophomores, one lap closer to the home port, the Senior class.That year the helm was in the hands of James Norris, Paul Roca, Zelda Shields, and Everett Bryant.

After that happy voyage, came the one of the Junior year. This also was a joyous one, with the ship in the hands of Paul Roca, Robert Love, Eleanor Ludy, and DeWitt Willis. From this port, lacking bnt one lap of being at the destination of all good ships, the Junior was able to look down upon what he had once been—a Freshman. From here they looked forward with happy expectation to the time, a year distant, when they could take over the place in school of the lofty Senior, bringing the good ship '28 safely into port.

In September, 1925, the opening whistle blew on the big football game between the school and the class of twenty-nine. Throughout the first quarter the twenty-niners had the best of the contest and did with their opponents as they wished. The unlucky Sophomores played for the school, but were being beaten back toward their goal line, in spite of their frantic efforts to stop the onrushing Freshman tide, when the whistle blew for the first quarter.

They changed goals and started play again. Coach Patterson put in a whole new team called the Greenies but even these failed to check the new Sophs from scoring and Adams, who had the quarterback position during the second quarter, went over for a touchdown during the Chronicle drive. Each team made a field goal during the athletic contests but throughout the remainder of the half the ball was in the Frosh territory. Not another score was made until the "first yearers" got possession of the ball and proceeded to make a safety and to donate two points to their opponents. The half ended with the youngsters trying to hold the foe on their own one yard line. The team that is now in the lead was directed by Coaches Bogan, Moery, Woody, and MacFarland.

Freshmen

The latter part of September, nineteen hundred and twenty-six, found us, a new set of Freshmen, roaming the halls of T. H. S. Greenest of green, we gazed at the ease and carelessness of the other students and wondered if we should ever attain their carefree ways and intelligent looks.

Our history began in the Safford and Roskruge Grammar schools. There we studied so that some day we could come to the High School. In order to come we gave up many things. A few of the more important were balls, rattles, half socks and knee trousers.

We purchased our Consultation seats and followed the Senior's advice. We soon learned, however, to follow our noses and use our own logical advice, however foolish it might seem.

We learned something when we came to High School and that was—"we all have to be fresh once," but we are fast becoming accustomed to the "grown up" ways of the rest and walk down the hall as if we were somebody.

Knocks and bumps seem to be a polish made especially for Freshmen, and 1927 finds us with the green slowly disappearing. We will soon be as bright as our nearest relations—the Sophomores.

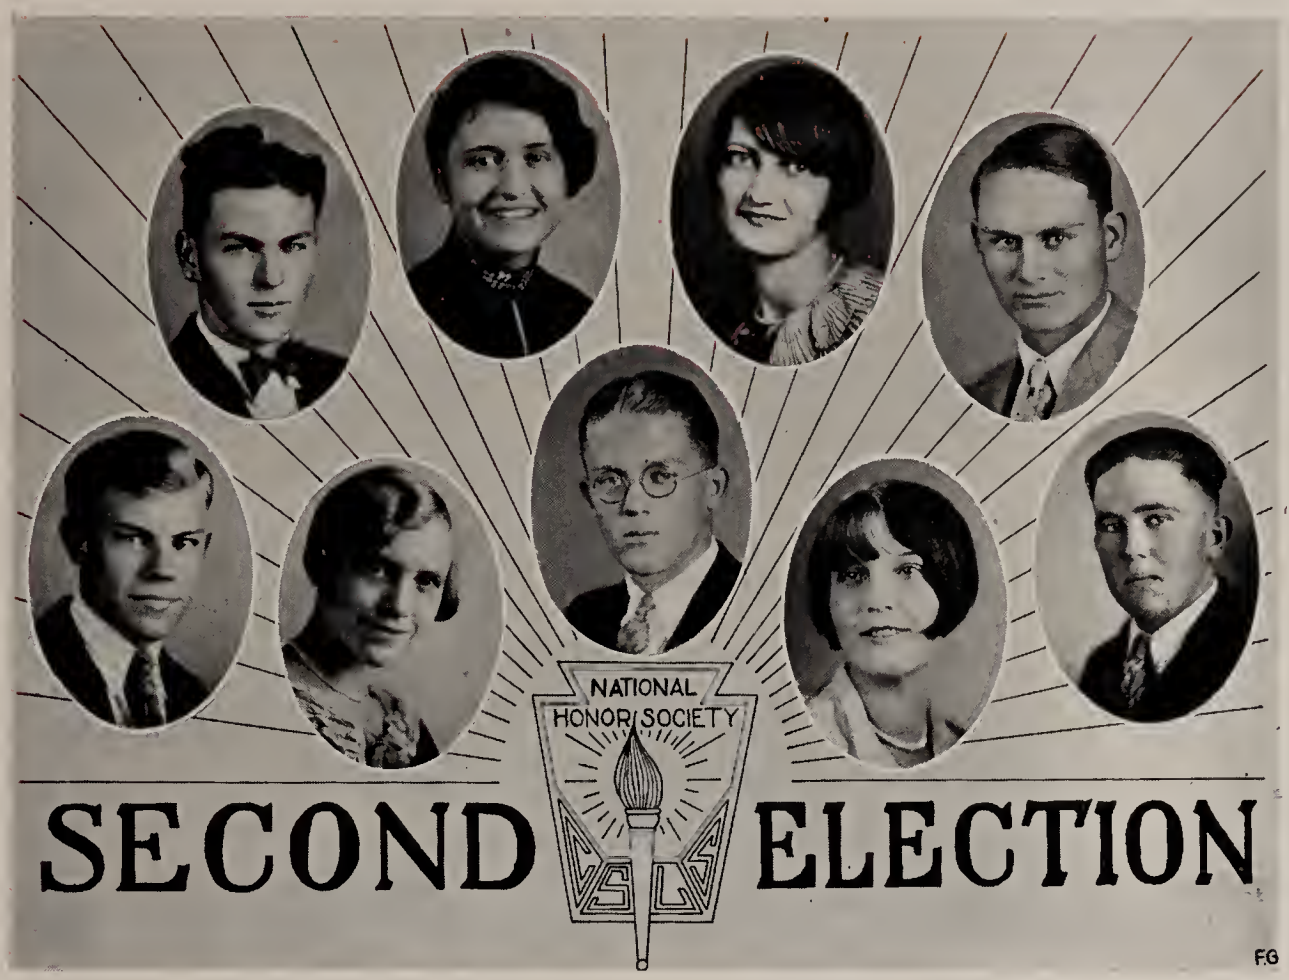
El Sahuaro, the only Spanish paper printed in any high school in the United States, developed greatly during 1926-1927. The size of the paper was increased, bringing a larger circulation which necessitated the enlargement of the staff.

Too much credit cannot be given to Ernesto Antillon as it was largely through his untiring efforts that such progress has been made.

Aiding and advising him at every step were Mrs. Bogan, and Miss Ochoa. Together they have had a successful year that will be a high mark for other staffs to strive for in the future.

FIRST ELECTION



National Honor Society

Several years ago a chapter of the National Honor Society was established in Tucson High School. The presence of this society has greatly increased the desire of the students for a good record in scholarship as well as in the extra-curricular activities.

The grades for the four year's work in High School are taken into consideration and only the students whose grades place them in the highest twenty-five per cent of the Senior class are eligible for election. A committee composed of faculty members meets and elects, without discussion the Seniors in the upper one-fourth of the class who they believe are deserving of the honor. The members elected are chosen because they have shown the four qualities for which this society stands: scholarship, character, service and leadership. Two elections are held each year. The first election this year is composed of Margaret Koons, Verna Reed, Shiela Baker, Margarita Castenada, Gertrude Greiner, Elizabeth Struthers, Kathleen Kendrick, Esther Calderon, Fred Manzo, Raymond Burch, Paul Smith, Teddy McCormick, Elton Dail, Guy Murphy and Fred Guirey.

Those taken into membership the latter part of the year were: Charlotte Hatton, Helen Thorpe, Ruth Cowin, Bertha Jacobson, Royce Moore, William Kimball, John Pegan, Aubrey Pennington, and Myron Nelson.

Freda Wollard, was sent as personal representative of Mr. and Mrs. W. P. Koepp to the International Typing Contest held in New York City conducted by the Underwood Typewriter Company. As a result of winning second place, she is now employed by that company as a demonstrator of speed typing.

Margaret Koons, who received the State Novice title last year, was sent as a State representative and placed fifth. This was the first time that two of the first five places were won by any one high school. T. H. S. should feel justly proud of these two girls who so ably represented their school.

Pueblo Pen Pushers

President - - - - - - - - - - - - Fred Guirey
Vice-President - - - - - - - - - Margaret Koons
Secretary - - - - - - - - - - - - Elton Dail
Chairman of Judging Committee - - - - - Shiela Baker
Advisors - - - Miss Margaret Miller, Miss Alice L. Vail

The literary society was organized, this year, to forward the literary interests of Tucson High School. It had as its purpose, as well, to abolish all plagarism, not only in the club, but in the whole school, by the example of the club members.

Only Seniors were admitted as charter members, and these were elected by the Senior English Teachers. Three years of English and the ability to write were the only requirements. Students who cared to enter the club after that were compelled to submit a manuscript to the organization, after which the candidate was elected upon the merits of his work.

Once a month each member submitted a manuscript written in prose, poetry, or essay. A judging committee was composed of the chairman, permanently elected, and two members appointed by the president. The duty of the judging committee was, together with the two advisors, to select the most outstanding of each type of writing. The best manuscripts were read and criticized at the monthly meetings.

The manuscripts were filed and the best ones used in a small literary section of the Cactus Chronicle. Plans were made to have exceptional manuscripts sent to publishers. The two sponsors hope that at a later date the club may be affiliated with the National Quill Club.

Although the aim of the club was purely literary, the members joined for one night in a Book Frolic, in which each member impersonated some character in a book.

At the end of the year, that the work of the club might be perpetuated, a number of Juniors were elected to the organization by the Junior English teachers.

Debate Teams

Although debate, as a usual thing, attracts only a few students, this year has been very successful from the standpoint of interesting students outside of the regular class debate. Early in the fall a girls' debate team was chosen for the purpose of meeting a Phoenix girls' team in a non-conference debate. Three of the girls chosen were Mary Rechif, Ardee Ketchum, and Ida Minnie Black; none of whom were members of the debate class. Helen Carson, the fourth member, was enrolled in the class in debate. The debate was held in Phoenix and was won by the Phoenix team although the Tucson girls, Mary Rechif and Helen Carson, did an excellent bit of work.

The following week a boys' team from Phoenix defeated the Tucson boys' team in Tucson. One of the regular debaters for Tucson, William Kimball, was ill and Frank Gentry was chosen to carry his share of the discussion. The other Tucson speaker was Irvin Gee.

In January a team was chosen to represent Tucson in her conference debates. Those trying out were: William Palmer, Herbert Chambers, Refugio Pacheco, Paul Roca, Byron Mock, Irvin Gee, and William Kimball. Five boys were chosen, Bill Palmer, Irvin Gee, Byron Mock, Paul Roca, and William Kimball.

A debate was scheduled with Willcox for March 4 but it was forfeited to Tucson. Tucson's first conference debate was held with Bisbee for the Southern Arizona championship in the Tucson High School auditorium Saturday night, March 12. Tucson was represented by Paul Roca and William Kimball, who upheld the affirmative of the question. The state question this year was: "Resolved: That a Secretary of Education, with powers and duties commensurate with those of the Secretaries already existing, should be added to the President's cabinet."

Debate Club

The debaters and all those interested in debate in Tucson High School met for the first time Monday, February twenty-first. The officers of the club were elected at this meeting. Those elected were: Presidnt, William Palmer; Vice-President, Samuel Adams; Secretary and Treasurer, Irvin Gee.

An entertainment committee was chosen to handle the various programs for the year. J. E. Kyle was unanimously chosen as sponsor of the club.

The purpose of this organization is to encourage debate in Tucson High School. Debate should be one of the most important of all extra-curricular activities. Not only from the view points that it is interesting, but it is helpful to the students. The purpose of the programs throughout the year is to increase the interest in the club and to give those members of the club who are not on the debate team a chance to show their forensic ability. The programs have proven to be very successful.

Mr. Kyle, looking forward to a championship in debate this year, stated that the material has never been more promising since he became debate coach for Tucson High School. The team went into action for the first time in a conference debate against Bisbee High School for the Southern Arizona championship.

Oratory

Miss Aice L. Vail - - - - - - Junior-Senior Advisor
Herbert Chambers - - - - - - President Jr.-Sr. Club

Because of the unceasing efforts of Miss Alice L. Vail, interest in Oratory is increasing each year. When Miss Vail came to Tucson High School, Oratory was an unheard of activity. Since that time, she has developed it until this year the club was not only divided into the upper and lower clubs, but a separate advisor, Miss Margaret P. Miller, was obtained for the lower classmen.

The winners and the awards in the Freshman-Sophomore Contest are: Gold medal, Mary Rechif; Silver medal, Dan Smith; Bronze medal, Adona Smith; Honorable mention, Byron Mock.

Those who won in the Junior-Senior contest are:* Gold medal, Oran Sarrels; Silver medal, William Kimball; Bronze medal, Paul Roca; Honorable mention, David Brinegar.

Oran Sarrels, by winning the Junior-Senior contest, gained the right to represent Tucson High School in the University Week Contest. His subject was: "In Spite of Everything." It dealt with the problem of the attitude of the United States toward Mexico.

*Harriet Miller won first place but, due to the fact that she was not taking three solids, she was disqualified.

The Whole Town's Talking

On Wednesday, November seventeenth, nineteen hundred and twenty-six, the whole town was talking about the "Whole Town's Talking." It was a farce in three acts, presented by the Dramatic Owls of Tucson High School and directed by their most able coach, Miss Lillian Cavett. The "Whole Town's Talking" was a huge successs. For the first time in the history of the high school the auditorium was packed to its capacity. The stage managers, although not visible to the audience, played their part to perfection and they deserve special mention. Henry Morrow, who was taken ill just a week before the play, was replaced by William Palmer who assumed the leading role splendidly.

Smilin' Through

The Senior class play came "Smilin' Through" with the reputation of being the most beautiful and difficult drama ever attempted by Tucson High School. Miss Cavett tried, for the first time, to use two different casts and both rose far above her expectations. The costumes and scenery were exquisite, making a most effective English garden scene.

The first evening Kathleen Kendrick and Margaret Finnerty took the leads, carrying their parts with the grace of professionals. David Brinegar and Jack Wells excelled in their parts and won the audience's heart as soon as they appeared. John Pegan played the part of both hero and villian, carrying them off in his usual style.

The second evening Isabella Caldwell and Felicia Anne Sanders carried the leads. They were equally as good as the others and cannot be commended enough for their grace and ease of action. A dainty old-fashioned dance added special beauty to the quaint production.

Commercial Law Club

President	Robert Rhodes
Vice-President	Frank Gentry
Secretary-Treasurer	Margaret Koons
Advisor	Mr. Holsinger

Under the supervision of Mr. E. J. Holsinger, the Commercial Law Club of '27 was organized. The membership of this group was restricted to only those taking Commercial Law.

The outstanding purpose of the organization was to create a wider and more vital interest in the profession of law as used in the world of business of every day affairs.

Trial cases were discussed among the club members and prominent men talked to the club on the subject of "law" either as they had studied it, or as they had come in contact with it in their various business relations.

Orations pertaining to different phases of law were given by Kimball, Tinsley, Gentry, and Ratner. Others prepared manuscripts valuable in the study of law.

Two men who addressed the club should be especially mentioned. Mr. Jack Koehler, a graduate of Princeton, and, at the time, a tutor in Tucson, gave an interesting account of the Supreme Court. The other man was Mr. Miles Carpenter, of the Chamber of Mines. He told of the value of law as he saw it, in connection with the mining industry.

The officers of the organization were elected by the members to convene with Mr. Holsinger on questions pertaining to the betterment of the group's welfare.

Dramatic Owls

President - - - - - - - - - - - Jack Wells
Vice-President - - - - - - - - Henry Morrow
Secretary and Treasurer - - - - - Pauline Fairweather
Advisor - - - - - - - - - Miss Lillian Cavett

Membership in the Dramatic Owl Club is restricted to those who are either taking Dramatic Art or Public Speaking or those having taken it in the past. A few outsiders are admitted because of especial dramatic ability as demonstrated in a play presented before the Student Body.

This year, the membership has been exceedingly large and has presented a great variety of talent that has been of assistance when most needed.

The Dramatic Owls have endeavored to uphold the high ideals and standards of drama that have been set forth in the past.

At the meetings, selections of exceptional ability have been delivered before a highly appreciative audience. Much rivalry has been aroused among the members to see who could give the best selection.

The "Whole Town's Talking", the first play of the year, proved to be a wonderful success by the manner in which it was received by the public. It was presented to a packed house, the first time in the history of T. H. S. that the auditorium has been full for a student play.

"Pickles", the quaint musical comedy of old Austria, was equally well received. While it was essentially a musical production, most of the leads were members of the Dramatic Owls.

"Smilin' Through", the Senior class play, was the masterpiece of the year. Taking a production that most professional companies balk at, the students of the Senior Class presented it in a finished and marvelous style. As the Tucsonian goes to press the "Owlers" are working on the all-school play "So This Is London" and Miss Cavett is certain that it will be equally as great a success as the other three.

Tuc-Hi Club

President - - - - - - - - - - - Martha Hart
Vice-President - - - - - - - - Gertrude Greiner
Secretary - - - - - - - - - - Martha Kepner
Treasurer - - - - - - - - - - Margaret Koons

Tuc-Hi, the high school branch of Girl Reserves for Sophomore, Junior and Senior girls, began this year's activities with the annual "mixer" held in October. This proved to be a great success and was attended by 170 girls.

An impressive candle-lighting ceremony marked the initiation of over 100 members, the greatest number in the history of the club. The unusual beauty of this service was planned by three of the Tuc-Hi cabinet, Martha Hart, Gertrude Greiner, and Ruth Hubbard.

The club has several times presented, both to school and city organizations an amusing skit, entitled "Wild Nell, the Pet of the Plains," which originated at the Iron Springs Conference. This bit of humor proved highly entertaining.

The Service Committee gave a varied program for the St. Joseph's Orphanage during the Thanksgiving holidays. Many clever schemes were employed for raising money to send representatives to the Girl Reserve Conference, held annually at Iron Springs.

The Christmas banquet, discussion meetings, picnics, hikes, and the Mother and Daughter banquet, have all helped to complete a most peppy and worthwhile year for Tuc-Hi.

The Cabinet and its advisors are:

Miss Margaret Dovery, Girl Reserve Secretary.
Martha Hart, program; Miss Alice Vail and Miss Mary Balch, advisors.
Gertrude Greiner, membership; Miss Ruth Moerey, advisor.
Kathryne Bentz, publicity; Miss Margaret Miller, advisor.
Ruth Hubbard, service; Miss Frances Walker, advisor.
Margarita Castaneda, social; Miss Thelma Ochoa, advisor.
Helga Nelson, ring; Miss Margaret Dovery, advisor.
Katherine Dodge, pep; Miss Nelda Taffe, advisor.
Pearl Greenwell, finance; Miss Haryette Sanford, advisor.

Hi-Y Club

President - - - - - - - - - - - Robert Love
Vice-President - - - - - - - - - Robert McBride
Secretary - - - - - - - - - - Timothy Gomez
Treasurer - - - - - - - - - - Maurice Booher

The Hi-Y activities this year have been extremely well undertaken and sponsored, mainly due to the cooperation of the members of the club with the officers and advisors.

This year, the club has given three picnics, all well attended.

The Hi-Y has taken more noticeable steps this year, toward its aims, than in previous years. Probably the most prominent is the establishment of an Honor Club. Membership in this organization may be obtained only by those who have taken a prominent part in school activities, such as athletics and scholarship. Before the close of the school year it is expected that this organization will be well under way.

The object of the Hi-Y is to have all boys included in its membership who are willing to endeavor to obtain the goals set before them by the advisors of the group. The Hi-Y is nationally recognized and may be found in practically any school in any part of the country.

This year the advisors who have helped to promote the Hi-Y are: Neal V. Bullion, Don Van Horn, and C. A. Carson.

Girls' Social Hour

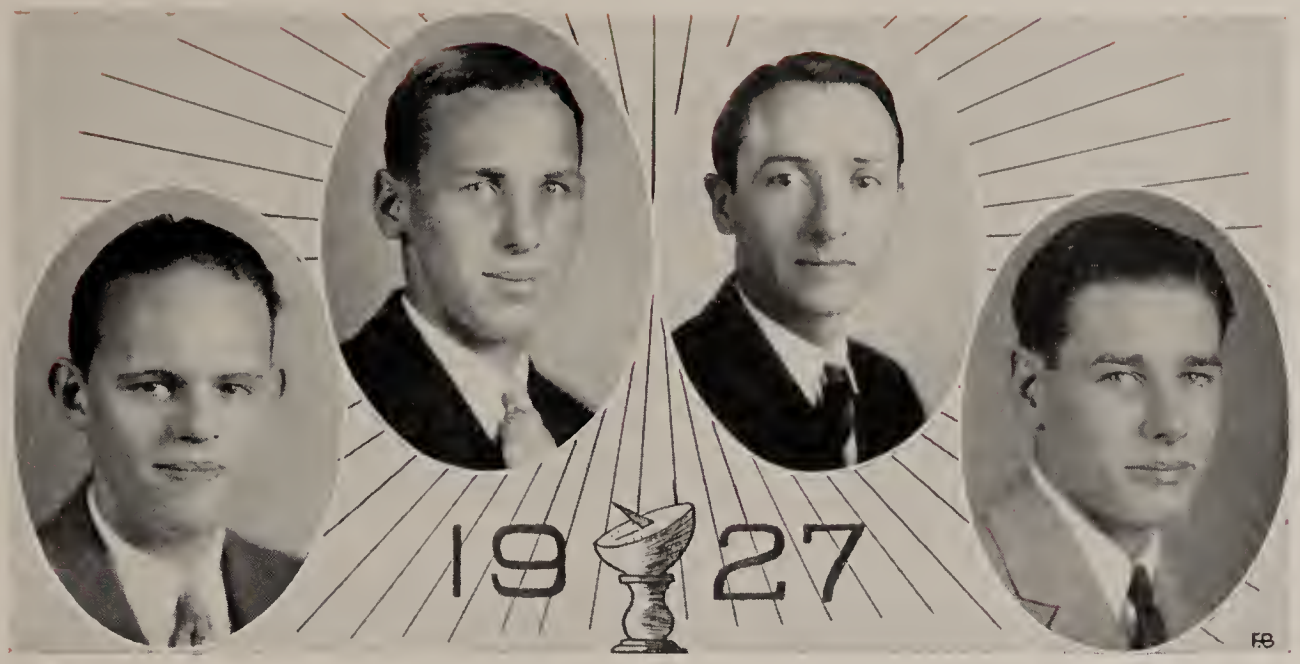
President - - - - - - - - - - - Margaret Koons
Vice-President - - - - - - - - - All Mae Fitzpatrick
Secretary - - - - - - - - - - - Bertha Jacobson
Advisor - - - - - - - - - - - Miss Ruth Bird

With the purpose of promoting a democratic, friendly spirit among the girls of T. H. S., the Girls' Social Hour organization meets once a month at an entertainment of programs, refreshments and dancing. With the willing assistance of each girl it is possible to present to the girls' student body some of the school's best talent.

The beauty of the organization is that it is the only one open to every girl in school.

By a vote it was decided that this year every other meeting would join with the newly formed Boys' Social Hour. This was done at their request as "they like to dance too." These mixers are very informal and afford recreation to the students to take them away from the monotony of daily lessons.

As is traditional, the Christmas program was visited by Santa Claus—alias Mr. Van Horn—who presented several of the girls and a few invited guests with gifts to which were attached appropriate verses. Other interesting programs were: the February social hour, which was in charge of the executive committee; the four class programs; the annual Alumnae day; and the Senior Girls' Fashion Show which was the climax to a most interesting year of the association's existence.



Boys' Social Hour

President - - - - - - - - - - - William Palmer
Vice-President - - - - - - - - - - Frank Gentry
Secretary and Treasurer - - - - - - - Robert Love
Advisor - - - - - - - - - - - - Daniel Romero
Executive Committee - - - Robert Rhodes, Merle Moore
Byron Mock, Earl Caid

"Los Vaqueros", boy's social hour organization, of which every boy in high school is a member, held a meeting the first week of school, the purpose of which was the election of officers. The business is transacted by an Executive Committee of the officers and six members appointed by the four classes; two Seniors, two Juniors, one Sophomore, and one Freshman.

Tucson High School has long needed a boy's organization which would work toward a cooperative spirit of friendship among the boys.

The student body will long remember the first social hour attempted by the boys alone. At this time the male element of the school entertained the girls. A very clever impersonation of a feminine chorus was given. The chorus was so good that they were asked by Flo Ziegfield to tour the country under a long term contract. However, he was flatly refused because, as the boys say, they are attending school for the sole purpose of obtaining an education.

Another very interesting social hour was held for the boys only. At this time boxing was the feature of the program. Several clever matches were held of which the Gentry-Emery clash held the spotlight.

Plans for the future are to include constructive talks of interest to all boys.

As the "Tucsonian" goes to press, the organization is at work on the preparation of "The Taming of the Shrew" for presentation before the student body.

Le Cercle Francais

President - - - - - - - - - - Betty Stadleman
Vice-President - - - - - - - - - Ruth Hubbard
Secretary - - - - - - - - - - Gene Huddleson
Treasurer - - - - - - - - - - - Evelyn Kerr

"Le Cercle Francais" was organized in nineteen twenty-three, four years ago, for the primary purpose of developing the interest of Tucson High School French students, in France; her language and literature, her songs and traditions, and her art and people. The members, while emphasizing this side, have nevertheless devoted much time to making the club a means of social enjoyment. Though the group was formed for the benefit of its members only, and has proven a great help in creating enthusiasm for study and in making for a friendly spirit of cooperation in the class room, yet its highly successful record as an organization, the loyalty, pep, and resourcefulness of its adherents, and the self-sacrificing, never ceasing support of Miss Allen, the advisor, have won for it a recognition which few clubs of its size have attained.

Since its formation, "Le Cercle Francais" has grown steadily. The group consists not only of those who are taking French, but also of those who have taken it. With a membership of over twenty, the past year has been the most successful in its history.

The year started off with a gruesome initiation of the new French students by the old ones. Then followed picnics, a Valentine party, a picture show sponsored by the circle, a box supper, and other enjoyable entertainments and projects. Meetings were held once a month. Conversation was in French, and the time was spent in playing French games, singing French songs, and giving French readings, after which refreshments and music was provided.

"Le Cercle Francais" has a written constitution and an emblem. The latter is an open book, signifying an earnest purpose of study. This symbol, bearing the inscription, "Circle Francais of Tucson High School," constitutes the official badge of the organization.

Helen Welch has been the Chronicle Representative, and Ernest Anderson the Representative to the Council.

Latin Forum

Consuls - - - - - - -	Gertrude Greiner, Mary Rechif
Questors - - - - - -	Dorothy Greiner, Samuel Adams
Aediles - - - - - - -	Eleanor Ludy, Rifton Rogers, Dorothy Linn, Marjery Rogers
Censors - - - - - - -	Byron Mock, Nancy Huntsman
Tribunes - - - - - -	Charles Keenan, Otis Thayer

The Latin Forum was entirely reorganized this year under the direction of Miss Butts, advisor. The club was modeled after the Roman Republican government, and all of the officers given Roman offices.

A program committee consisting of the Aediles decided that together with the social meetings of each month the study of Roman private life would be taken up. The December meeting, celebrating the Saturnalia, was given over to the study of other Roman festivals, while at the January meeting a discussion of the Roman house was held. The Valentine idea, latinized, was used in the February meeting. Other appropriate ideas were worked out for March, and in the latter part of April a Roman banquet was held in which all the ancient customs were carried out as nearly as possible.

A program consisting of a farce on the Aeneid and some Latin dances were presented during the banquet. The mixing bowl ceremony and the usual rite of throwing meal over the heads of the guests, an act corresponding somewhat to our saying grace, were performed. Roman dishes were served also. This dinner came as a climax to one of the most successful years the Forum has ever had.

The Band

The Tucson High School Band has for the past year enjoyed the most successful period in its history. The band has, in years gone by pledged itself to benefit the school and the town in the ways of which it is capable. They have played at athletic games, given themselves and their time to the school incessantly, and have assisted in numberless town activities.

With an ensemble of forty-three pieces, the band has the best instrumentation that is found among school bands in the Southwest. Because of the ranking and instrumentation, the band has been permitted to become a member of the "National Band Association of America," which is indeed an honor.

The officers of the band this year are: Maurice Meador, president; Robert McBride, business manager; Walter Alwin, librarian.

The personnel of the band is as follows:

Clarinets: Robert McBride, Maurice Meador, Herbert Chambers, Walter Alwin, Roy Wallace, Maurice Anderson, Gurdon Butler, Richard Gates, Lawrence Lynn, Ben Smith, Bert Bosworth.

French Horns: John Noon, Frank Squires, Warren Gill, Melvin Angle.

Cornets: Fred Contzen, Randall Stover, James Van Horn, Charles Vorhies, Bown Litt.

Baritones: Leonard Woods, Curtis Anderson, Raymond Smith.

Trombones: Andrew White, Clarence Thomas, Carol Tacquard, Gaynor Stover, Rainey Libbey, Paul Allen.

Saxaphones: Aubrey Pennington, Monroe Vreeland, Hubert De Wolf, Paul Williams.

Flute, Piccolo: George Lisitzky.

Bass Clarinet: Pablo Amado.

B Flat Bass: Bruce Watkins.

Drums: Letcher Seamonds, Herbert Burr, Charles Cambron, Edward Breazeale, Adolph Solomon.

The Orchestra

The season of 1926-27 has been a very successful one for the High School Orchestra. The personnel, under the direction of Mr. W. A. Sewell, is larger than ever and the instrumentation is greater than in previous years.

The Student Director for this year is Rena Watson. Other officers are Charlotte Hatton, president; Betty Bandel, librarian.

The orchestra appeared numerous times in assembly and has played in various entertainments about town. As formerly, they assisted in dramatic productions by playing incidental and between-acts music.

On March 25, the annual concert was given. It included two piano concertos, played by Arleen Slette and Marion Vawter, a violin duet, played by Rena Watson and Kathleen Kendricks, and several orchestra numbers. The program was given with a great deal of finish and style, and would have done credit to a professional organization.

The personnel is as follows:

Violins: Rena Watson, Kathleen Kendrick, Charlotte Hatton, June Chaddock, Joyce Blodgett, Charles Montano, Louis Blaker, Ava Stover, Mary Tuthill, Mary Rechif, Artemisa Castilan, Helen Schell, Virginia Oliver, Martin Buzan, Tony Bustamente, Frank Rechif, Margaret Herrera.

Piano: Arleen Slette, Marian Vawter, Thelma Seag, Margaret Nielson.
Organ: Ruby Davenport.
Drum: Edward Breazeale.
String Bass: Bruce Watkins.
Cornet: Betty Bandel.
Clarinets: Alice Knight, Irene Tufford, Dorothy Greiner, Austin Reisen.
French Horn: John Noon.
Trombone: Andrew White.
Saxaphone: Levell Ireland.

Girls' Chorus

The Girls' Chorus assisted in putting on various programs for charity and did its share in the operetta "Pickles". Pauline Fairweather, the Soprano Soloist, had the honor of taking the lead in "Pickles". She certainly proved her singing as well as dramatic ability. The second girls' lead was handled beautifully by Esther Calderon, our mezzo-soprano soloist.

The Girls' Quartet was composed of Pauline Fairweather, Esther Calderon, Aida Garcia, and Lillian De Wolf, who all worked hard for their places.

The sixteen chosen this year for the mixed chorus as well as the girls chorus were: Rose Don, Jane Henniger, Annie B. Russell, Katherine Dodge, Mamie Cella, Esther Calderon, Isabella Caldwell, Maybelle Darrow, Helen Woods, Carol Harrison, Rebecca Peralta, Lillian De Wolf, Ernestine Childs, Harriet Miller, Sarah Calderon, and Maydelle Musgrove. The remaining girls of the Allegro Club are: Pauline Allen, Katherine Bentz, Dorothy De Yarman. May, Dunn, Pauline Fairweather, Aida Garcia, Elizabeth Goodman, Elizabeth Head, Marjorie Hughes, Belva Kibler, Edna Croeger, Dorothy Maben, Margaret Meyer, Ruth Middleton, Elizabeth Musgrove, Emili Pauli, Sophie Pauli, Tempee Pemberton, Gennevieve Power, Nadine Price, Ernestine Sego, Betty Stadelman, Lura Stephens, Parthene Stockton, Dorothy Webb, Lorraine Webb, Helen Weigel, Lillian Wolf, Cecil Young, Marion Jenkins, Ruth Abbott, Nellie Ahee, Pancha Anaya, Velva Bosurto, Mary Bustamente, Alice Camacho, Leonor Carillo, Marilla Christenson, Winniebelle Cochran, Arthella Farr, Jeanette Flower, Pauline Frey, Elizabeth Hanks, Lilly Jayme, Molly Jayme, Marie Kelly, Ardee Ketchum, Olive Kimball, Bertha Mansfield, Katherine Pershing Marian Sarrels, Mary Stanley, Aurora Tellex, Beverly Tew, Lois Wachter, Virginia Moore, Martha McKay, Marjorie McDonald.

Arion Club

The Arion Club, best known as the Boys' Chorus, was unusually large this year. They have succeeded in equaling the best work of previous years. The officers chosen this year were: President, John Pegan; Secretary and Treasurer, Clarence Wollard. The boys' quartet, this year, was somewhat disrupted by Frank O'Neil's and Otis Thayer's leaving school, but their places were successfully filled by Oran Sarrels and Chas. Farrel. The other two members of the quartet are Clarence Wollard and John Pegan.

The Boys' Chorus assisted in the production of the operetta "Pickles" and credit is due them for their part in its success.

A great number of places were visited by the boys this year; one particular event being the serenade at Pastime Park.

The male chorus made an excellent showing at the musical contest which was held in Tucson this year.

Those who helped in making this year's club a success were: Leonard Abbott, Maurice Booher, Edward Cocio, James Davis, Charles Farrel, Timothy Gomez, Robert Love, Cecil Lytle, Jay Marney, Miles Mansfield, Arthur Moreno, William Musgrove, John Pegan, Arthur Pelaar, Oran Sarrels, DeWitt Willis, Clarence Wollard, Charles Smith, Arnold Ungerman, and John White.

The Kadet Club, a new organization in the Military Department of Tucson High School, was organized by a group of the Cadet officers last fall. The object of the club is three fold, Military, Scholastic, and Social. The club adopted as its insignia a red shield with the white letters "T. H. S." on the lower half. On the upper half a badger head is placed. The student body awards these as symbols of merit.

To be eligible for club membership a cadet must excell in one phase of Military command and leadership. His grades must be above the average and a general military attitude must prevail.

To secure spirit and cooperation, honorary girl members were chosen. Those for this year are: Honorary Major Charlotte Hatton and Honorary Captains, Ruth Middleton, Bertha Jacobson, Helen Hubbard, Gertrude Greiner, and Claudia Gober.

The club members are actively engaged in rifle team work, and they hope to be prepared to compete in the annual spring matches at Ft. Huachuca.

"Pickles"

This year the vocal music and Dramatic Art Department was successful in producing one of the most amusing operettas that Tucson High has had. "Pickles" was given the twenty-second of December and when it was learned a couple of weeks before the production that Miss Cavett could not assist in the coaching, Miss Vail gladly offered her help and so a great deal of credit for its success is due to her. Miss Sandford and Miss Mary Frances Munds are to be credited with the charming dances. "Pickles" excelled in its scenery which was made by the Art Department under the supervision of Mrs. Buckner. Each one that took part is to be congratulated again for its success.

High School Sign Shop

Under the direction of Mrs. O. T. Buckner

One of the outstanding departments in the school is the High School Sign Shop. It now consists of over one hundred students, many of whom display exceptional talent. Prizes have frequently been won in contests where the competitors were commercial artists, as well as high school students. Through this training the students receive experience that will be exceedingly valuable to them in later life.

The work done is very extensive, and in many cases indispensable, to the school. They make all the posters advertising school activities, and they also receive numerous orders from outsiders. Around Christmas time many useful and ornamental articles are made by this class for their own use or for selling. The stage settings for the school operetta, "Pickles," and the Senior Play, "Smilin' Through" were designed and painted by members of the art classes, and were really professional in effect. All of the art work in the Tucsonian is done by the Art Staff.

Much credit is due Mrs. Buckner for her untiring efforts to make this department the really successful one that it now is. She works with her students and watches them to see if they excell in any one type of work, then she develops them along the lines for which they are best suited.

Just a few years ago, art was practically an unknown subject in the high school; mainly because students did not realize its value. They believed it to be unnecessary, a waste of time and material.

Mrs. Buckner has entirely overcome this prejudice proving that art can be very practical and useful, as well as an interesting subject.

On each poster is placed the words "High School Sign Shop," and through this display, interest and recognition have been gained. The unusual development of the department is proved by the fact that Mrs. Buckner has received requests from several eastern art magazines for articles about the work that is carried on in her classes.

Chemistry Club

President	Oran Sarrels
Vice-President	Shiela Baker
Secretary	Evelyn Kerr
Treasurer	James Norris

Several years ago the Chemistry club was organized in T. H. S. It has continued its work and its advancement until at the present time it is of the greatest importance in the Chemistry work.

It was established with the idea of furthering the interest in Chemistry and of taking up more of the outside occurrences in the chemical world.

The club has had several meetings at which Professors from the University have given lectures upon topics of interest. This was done to increase the interest and the students' knowledge of it.

The essay contest is furthered by the club and hitherto T. H. S. has been very successful in its contest papers. Three places were taken last year and this year it is expected that a great many more will be captured by T. H. S.

Cervantes Club

President - - - - - - - - - - Rebecca Peralta
Vice-President - - - - - - - - - - Paul Roca
Secretary - - - - - - - - - - Alice Hughes
Treasurer - - - - - - - - - - Monica Rodee
Sponsors - - Miss Ochoa, Miss Powers, Mr. Burrows

The purpose of the Cervantes Club has always been to encourage the use of the Spanish language and to study the customs and the literature of the Spanish people. With the combined efforts of the administrative group, the sponsors of the club and all of the members, the Cervantes Club has become one of the most outstanding features of Tucson High School.

A variety of social functions were enjoyed by the club members this year. The social committee arranged pinatas, tamaladas, vivacious Spanish dances and interesting Spanish plays.

The membership has increased considerably over that of last year. Only those receiving a grade of one or two are eligible for the Cervantes Club.

Rifle Team

Before the eyes of Tucson High School, there is beginning to grow a new phase of keen competitive sport. At first insignificant and unheard of, it is now growing with such rapidity and bounding strides, that it is now gaining more laurels for Tucson High School.

Last year's team, which was composed of Herbert Chambers, captain; Howard Fink, Clarence Thomas, Keith Douglas, Harry Chambers, and Harry Nieman, entered and gained much prominence in the Hearst Trophy, 8th Corps Area, and State Matches at Ft. Huachuca. In the latter, Tucson High School received much attention and congratulations for its plucky little team, for Tucson High School was not far from the two United States Army teams, and only missed a large twelve inch loving cup by a few points.

This year's team is composed of Herbert Chambers (captain), Howard Fink, Keith Douglas, Harry Chambers, Clarence Thomas, Walter Chambers, and Harold Rupkey.

Tucson High School was represented for 1927 in the following matches: State Matches of Ft. Huachuca, 8th Corps Area, and Hearst Trophy. The five man team matches with Phoenix High School, El Paso High High School, Douglas High School, Los Angeles High School, and the University of Arizona undergraduates.

Coaches

McFARLAND

"Mac" was assistant football and basketball coach. His coaching experience should help him produce great teams for T. H. S.

VAN HORN

Van Horn not only helped coach football this year, but he also had charge of the Badger track team and developed some excellent talent.

S. E. PAULUS

Coach Paulus ended his career as head coach of athletics for Tucson High School by trimming Phoenix in Football for the first time in 14 years. Since "Syl" Paulus has been with the school he has turned out the scrappiest and best teams we have ever had.

VAN ANTWERP

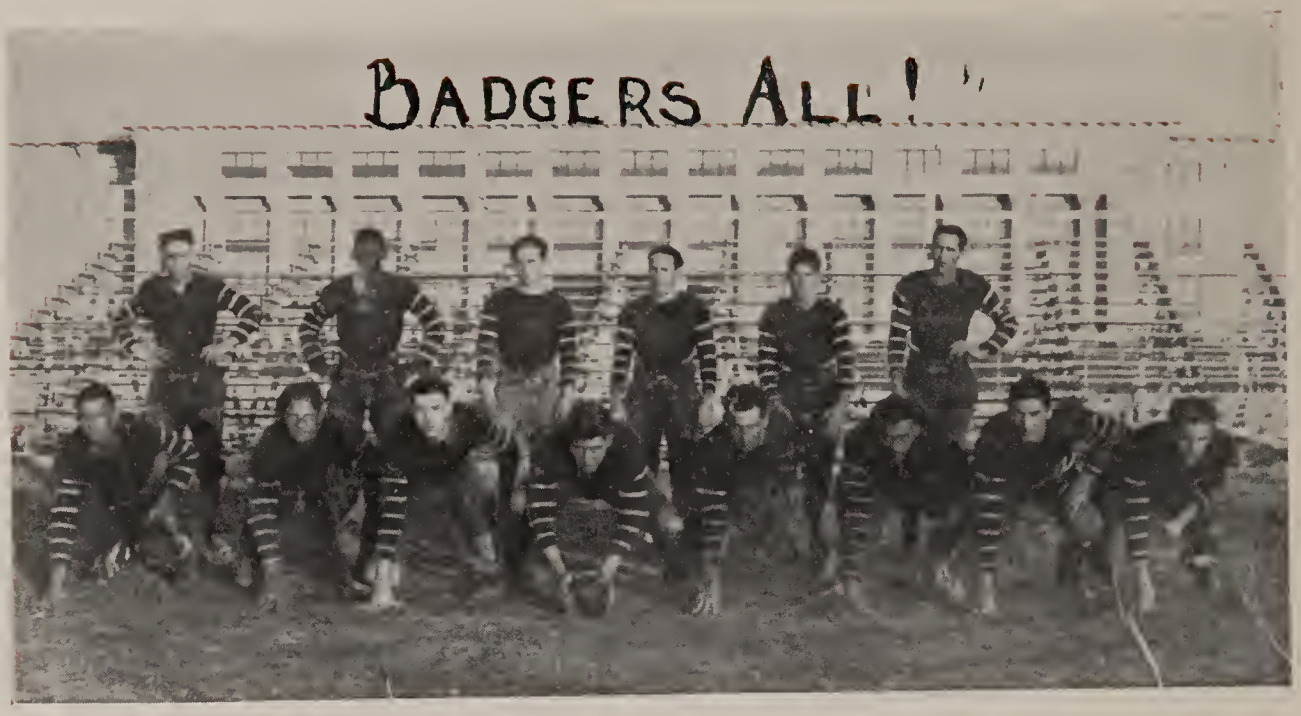
Coach Van Antwerp came to Tucson from Douglas. He took charge of basketball and helped coach track. Next year he will be in charge of Football and Basketball and assistant coach of track.

VAN PUTTEN

Although Van Putten did not have charge of the basketball team for so very long, he showed us the kind of a coach he was by winning against Phoenix and Gilbert.

TOLSON

"Andy" came to T. H. S. from the University. As he pitched on the Varsity squad for two years, he is especially fitted for coaching the Baseball team.



Football

The Badgers opened their 1926 football season with an easy win over Gilbert. The final score was 43-7.

In the second game, against Miami's Miners, the Badgers had little trouble in coming out on the long end of a 25-0 score.

Next the "Biting Badgers" tore into the El Paso team and sent the "Tigers" home on the short end of a 12-7 score.

The following game found the Badgers on their season's off day. They were defeated by the Douglas Bulldogs 15-6.

After the Douglas defeat the Badgers set themselves earnestly to the task of preparing for the big game of the year against Phonix. For fourteen years Tucson has been waiting to defeat Phoenix. This year a football team was produced that skinned the Coyotes by a score of 13-12. The "Red and Whites," a much lighter team, outfought and outgained the Phoenix gang throughout the game. The winning touchdown was made by Gentry after Anderson blocked a Coyote punt.

Tucson's hopes for a State Championship were blasted by Mesa's team which was decidedly superior in every department of the game. Outweighed ten pounds to a man the Badgers went down to defeat 26-0.

Although handicapped by the temporary loss of some of the first string men, the Badgers showed the same old fight that they had displayed in the early season, and won from Bisbee 12-0.

In the final game against Nogales, the Badgers came into their own and swept the Apaches off their feet by a score of 66-6. "Flying Ebony" Daniels was by far the outstanding man on the field scoring five touchdowns himself.

Total Scores: Opponents, 73—Tucson, 179.

CAPTAIN FRANK GENTRY (Guard)

Our captain, all-state guard, went with a bang this year. We shall never forget the game he played against Phoenix. Next year his place will be hard to fill.

CAPTAIN-ELECT ARTHUR CAID (Quarterback)

"Butch" was one of the smallest, and fastest quarterbacks in the State. Lots will be expected of him next year.

HAYZEL DANIELS (Halfback)

"Flying Ebony" was the fastest, and by far the best halfback in the State. Whenever yards were needed Daniels never failed us. He is all-state halfback.

RICHARD MARTIN (Tackle)

"Jumbo's" fight on the line helped us win many a game. This is his last year with the Badgers.

MAURICE BOOHER (Center)

"Booher's" size and fight made the center of the line the strongest part.

WILSON EMERY (Tackle)

"Emery", all-state tackle, was the hardest hitting tackle in the state. "Grab 'em by the neck" was his motto.

TOM CAID (Halfback)

"Tommy" was a light, fast backfield man. He was a very reliable ground-gainer around the ends.

JACK ANDERSON (End)

Although this was Jack's first year on the team, he was our surest end when it came to catching passes.

FRANK O'NEILL (End)

"O'Neill" was the very player we needed this year, and he showed plenty of fight.

ARTURO ESTRELLA (Guard)

Arturo helped a great deal this year, and gave our opponents lots of worry.

JAMES WEINZAPFEL (End)

"Jimmie' has the making of a great end, Next year he ought to strut his stuff.

OTIS THAYER (Quarterback)

"Thayer played on the second team for two years. The result of his persistence was a place on the first team this year.

JACK O'DOWD (Guard)

"O'Dowd" was the largest player on the squad, and he could always be relied on to hold down his part of the line.

ROYCE MOORE (Guard)

"Moore" played as a substitute all season until before the Bisbee game, when he was called upon to do his stuff. He did!

PAUL SMITH (Tackle)

Paul got into a couple of games, and the fight he showed was enough to award him a letter.

STANLEY KNOX (Tackle)

"Knox" was another player who waited almost until the end of the season before he got a chance to show his fight.

DONALD WEBB (Halfback)

"Webb" came to us from Mesa, and he showed us that he was a true Badger. He played his best game against Mesa.

FRED VAN CAMP (Tackle)

"Van Camp" was a very hard hitter on the line, and lots will be expected of him next year.

Captain "Jumbo" Martin played a consistent style of basketball and was always full of fight. This makes his second year for T. H. S. He will missed next year.

We were sure glad to have Tommy Caid back with us after his absence last year. We was one of our foremost players this season. He made his first letter in 1924-25. Tommy will captain next year's team.

"Butch" Caid was a sub last year and a regular this season. He surely was a scrappy little player, his only drawback being his size. He will be with us again next year.

Myron Nelson, our fighting guard, also played a wonderful brand of casaba. He was placed on the second all-state team. This makes his second letter in basketball. Myron's place will be hard to fill next year.

Cliff Potter played a good style of casaba this season as well as last. He was especially hot on shooting baskets and will, no doubt, be missed next year.

This is also Jack Anderson's second letter in basketball. "Mechanic" played good ball last year and was plenty hot this season. As he is a Junior he should be with us next year.

Jimmie Weinzapfel was one of the hardest working men on the squad. Although he is a small man, he could always be found trying. Jimmie didn't get to break into things much this year, but just wait until next season.

Fred Van Camp was a new man this year. Coach Van Antwerp saw the makings of a good basketball player in him and, after plenty of hard work, landed him on the first team. He should make good material for next year.

Track

Coach Van Horn, assisted by Van Antwerp, put out one of the best track teams this year that T. H. S. has ever known. The men showed lots of ambition from the start and kept it up all season.

Captain Bill Williams, was indeed a valuable man. He showed great ability in the high jump, and broad jump as well as being the best man in the 100 yd. dash.

Nolan was undoubtedly the best man we had in the pole vault. He was well fitted to represent us in the state meet.

"Butch" Caid was always a reliable man. This makes the third year he has represented Tucson in the broad jump.

It didn't take O'Dowd long to prove to the coach that he was the man to throw the javelin for T. H. S. Jack was also plenty good in the shot put.

Tommy Caid took care of the 880 in good fashion. As he had a great amount of endurance, he was well fitted for this event.

Curtis was also a good man in the 880. He should be valuable next year.

Weinzapfel was one of our best men in the high hurdles. Jimmie also ran a good 220.

Murphy was one of our best tracksters this year. He ran the 220 and 440 in good style besides running a neat 100.

Pelaar went strong in the shot and discus. He gave O'Dowd plenty of trouble.

Knipe ran the half mile this year. He was on the team last season and his place will be hard to fill.

English was a valuable man in the weights. He was good in the shot as well as the discus.

Burch was new material this year, but he soon developed into a good runner. He ran the 100 and 220.

Smith was another new man but as he had lots of fight, he earned a place on the team.

Abbott, one of our most consistent runners worked on the 440 and 220.

McCaddon showed his team mates that they would have to step high to compete with him. He was entered in the 100, 220 and 440.

Baseball

Coach Andy Tolson had a goodly supply of men from which to pick his team. With the help of "Red" MacFarland, assistant coach, he put out a ball club that would give any high school a good fight.

Captain Jack Anderson was one of the best batters on the squad. Whenever the team was in a tight place, "Mechanic" kept a cool head and took care of third base in good fashion.

Peralta did the majority of the pitching. He had a ball that opponents found hard to slam very far. One thing about "Jake", he was never rattled. This alone enabled him to take care of things as well as he did.

Lloyd Burke was just hte man to play right field. Whenever a fly came his way, the batter was sure to be out.

Valenzuela held down short stop this season. He came in handy for this position as he was a sure man on grounders.

Clifford Potter took care of first base this year for the second time. His place will be hard to fill.

After some time spent in shifting around, Casey finally settled down on second base. Leland will not be with us again.

Gentry helped Peralta out in the pitchers box. At other times he played in the field. This made the second year he played ball for T. H. S.

Martin was a sub fielder this year. He was a good hitter and had a valuable peg. "Jumbo" will be graduated this spring.

Pacheco was another sub fielder. He played good ball and always kept a cool head.

Moreno was the regular catcher. He had a neat peg to second and certainly took care of his end well.

Martinez was sub-catcher. Whenever Moreno was not receiving, Martinez took his place. At other times he played the field.

Tennis

Due to the large number of students interested in tennis, three groups have been organized—one for the girls, one for the boys, and one for a combination of the two. A natural result of this type of division is a very keen competition. The president of both the girls' and boys' organizations appointed a committee of two to help plan a tournament. Out of this tournament twelve leading players were chosen to form two teams.

The final tournament will be played off in doubles and from these the winner chosen to compete in the University week game.

More interest was shown in tennis this year due to the new courts, making it possible for the students to play during their gymnasium periods.

Tucson has held the second and third places respectively in the University Week for the last two years. Their goal this year is first place and from prospects in view they will no doubt realize their hopes.

BOYS

Bill Kimball played good tennis this year and was constantly on the lookout for new material. He will be missed next year.

Merle Moore was one of the neatest players we have ever had. He will be back next year and should go good.

George Preston sure gave Moore and Stadleman, as well as Kimball, a close race this year. He should be back again next year.

Gough Stadleman played tennis this year in a tip-top manner. He will be valuable next season.

Tennis

GIRLS

Aida Garcia was the best girl player we had. Too bad this is her last year.

Pauline Fairweather was another girl who played good tennis. She should be plenty good next season.

Ruth Hubbard was a valuable player this year. She will be graduated this spring.

Helen Hubbard was one of our foremost girl players. She will not be back again.

Girls' Physical Directors

Although there was no girls' basketball team to coach this year, Miss Harryette Sandford has shown her ability along other lines; a new system of awarding "T's" has been introduced; the program of physical training has been made more varied; and a number of delightful dance programs have been given under her direction.

Miss Sandford has been so willing, so capable and so very enthusiastic about her work, that every member of T. H. S. is hoping she will return to them next year.

Miss Nelda Taffe has been in T. H. S. for only one year, but she has entered so heartily into the activities that she has become almost indispensable.

She has ably assisted Miss Sandford and has done everything in her power to make athletic work interesting to girls. Miss Taffe has had almost complete charge of the athletic part of the work. She has greatly forwarded the point system and it is under her guidance and supervision that a greater number of girls have become interested in sports.

Every member of the Physical Training department has become so fond of Miss Taffe that it would be sorrowful indeed to see her leave T. H. S.

OFFICERS

President - - - - - - - - - - Bertha Jacobson
Recording Secretary - - - - - - - - Shiela Baker

A new plan for the winning of a "T", by the girls, was installed in Tucson High School this year under the supervision of Miss Sandford and Miss Taffe.

It is known as "the point system" and it is an extremely popular plan throughout the United States. Each girl who is enrolled in the Physical Training classes is given an equal chance to win her school's letter. When a girl has earned eight hundred points, she is given a large "T". If she has only four hundred and fifty, a small "T" is awarded. A high point cup is given each year to the Senior girl who has earned the greatest number of points for the four years. As the points are carried over from year to year, the winning of a "T" is not at all impossible.

There is a great chance for every girl to win a "T". Each class has a first and second team and points are given to each member of those teams. The sports are divided into major and minor sports, according to their importance, and points are given accordingly, one hundred points for a major, and fifty for a minor sport. Individual points are given in track and in hiking. Extra points are given to the girls holding office and as no girl may hold more than one office a year, the points are scattered. Points may be taken away when a girl flunks for a semester in any subject, so it increases the interest in their other classes.

The head of the organization is the President, an office which may be held only by a Senior. Next in importance is the Recording Secretary, whose duty it is to keep on file a record of each girl's activities. These are the only officers, but there are the various sport leaders who have charge of their particular sport and who supervise the class team captains, who are also given points.

Dear Bill —

Here are my best wishes to one of those lively little freshmen. May you have the best of everything in the future.

Sincerely
Eleanor Lindy '25

Dear Friend Bill.

Our friendship has not been very long but, during the period of our friendship, I have found you to be one of my best friends. May our friendship always be unbroken and that you may be happy and successful throughout your life.

Sincerely
Fleming Harrison

Bill.

Well here we are four more years before you will say that I will be a senior in the Latin course.

Sincerely
Fleming Harrison

Dear Bill:

I know you pretty well, but not enough. You've been a darn good kid to me. Next year I hope to know you better.

Good Luck

J Krattschnitt III

Dear Bill:

I could never forget you because you are the guy that always wore the bow ties that I tried to hide you out of, but had no luck.

wishing you the very best of luck in the future
